

Shipping Guarantee

Get the stuff right away,
giving your business a competitive advantage.

Shipping guarantee service is classified into two groups based on the transportation of goods as follows:

1. Letter of guarantee for goods transported by sea, known as **shipping guarantee (S/G)**

In the event that the goods arrive at the port of destination before the bill of lading (B/L), the importer may request the SCB to sign a guarantee in S/G in order to receive the items to be sold or manufactured first.

2. Letter of guarantee for air freight, known as **delivery order (D/O)**

In the event that the goods arrive at the airport of destination before the air waybill (AWB), the importer may request the SCB to issue a letter of request for delivery order (D/O) to endorse in order to receive the items to be sold or manufactured first. ¹

Service Features

SCB offers a shipping guarantee (S/G) in the event that the goods shipped by sea or air have already arrived at the destination, but the shipping documents are still in the process of delivery and expected to arrive late.

You may request SCB to issue a letter of guarantee so that you can receive the goods for production or sale without waiting for the original shipping documents. S/G, on the other hand, may only be issued under importation with a letter of credit (L/C) or bills for collection (B/C).

Once the shipping documents including the original B/L have arrived, SCB will provide you with these documents, including B/L, which you may exchange for S/G from the carrier or freight forwarder and return to SCB. ¹

Highlights
